

Tripartite Alliance Award 2025

Logo Usage Guidelines

- 1.1. Tripartite Alliance Award (TAA) 2025 logo, a direct representative of its identity, should be applied in accordance with the guidelines, at all times.
- 1.2. When using the logo, observe the proper placement and alignment in all materials. Ensure that the scale is in proportion to the entire logo. When restricted to a small area, the minimum logo size should be 13.75mm (W) x 15mm (H).
- 1.3. There should always be a clear space maintained all around the logo, regardless of application or background colour. It is to ensure maximum visibility and legibility of the logo.
- 1.4. The full-colour version is the preferred version of the TAA logo. Whenever possible, position the full-colour version on a white or light-coloured background. Refer to the following Colour Guide for reference.

Tripartite Alliance Award 2025 – Colour Guide

Minimum Clearance and Size

Minimum Clearance

1.5. To ensure maximum visibility and legibility, the minimum clear space required surrounding the logo is defined by 'x' which corresponds to the height of the numeral '2025.'

Minimum Size

1.6. Refer to the following illustration of full-colour and black-colour logo, which should be adopted exactly for relevant usage without deviation of colour and typeface. The logo graphic and text title should be used together, as a full logo representation at all times.

Application On A Light Background
